Tel. + 63-915-509-0604

### *By Air*

Airphil Express have daily flights to Catarman leaving around 5.15am. Catarman which is the capital of Northern Samar From Catarman, take a jeepney ride to the town of Lavezares, and from there, a 45-minute motorboat ride to the Island of Biri. We do provide a private air-con Van from the air port to the boat port. Please book in Advance. We can also hire a private boat

### *By Land*

Air-conditioned and non-air-conditioned buses have daily trips from Manila to Visayas and Mindanao which will pass by the town of Lavezares. Depart at the municipal hall building and take a short walk to the market area. The boat terminal is located near the public market.

### *By Water*

From Cebu, one can take a boat to either Calbayog City . From Manila, passenger boats travel to Calbayog. From there Take a bus or van to Allen bus terminal, then a jeep or trike to Lavezares.

There are also boats to and from Matnog, but the trips are infrequent. You will need to ask the boatmen in advance if they have trip on a certain day. If you travel in a group, you can charter a boat to Matnog, from Biri Island. Again call in advance so we can contact the carrier.
